Party Information

General Information

The Carroll Indoor Sports Center is a multipurpose facility that was built in 1993. CISC is a fully air conditioned and heated facility with three padded turf fields (59,000 sq. feet) fully enclosed in netting with electronic scoreboards, home and guest team boxes, bleacher seating and stretching areas. Another area consists of a multi purpose Sport Court® flooring that can easily be converted into either a full court basketball court or a full court volleyball court. The large fields provide for the perfect setting for birthday parties, overnights, convention rentals as well as hourly practice time. Some birthday party rental activities include: soccer, kickball, volleyball, flag football, and basketball. Other events held at CISC include: after prom parties, dog shows, agility trials, sports memorabilia shows, craft shows, soccer, softball, basketball, volleyball, and field hockey tournaments as well as company and team picnics. All of the space creates a safe and comfortable environment. CISC also has a fully equipped commercial kitchen for full weekend rental events. An individual party room is also available.

Party Information

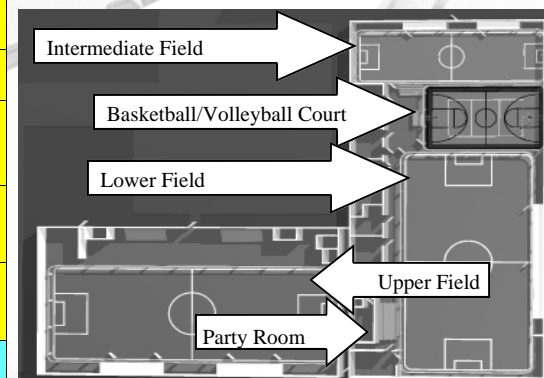

CISC has always been a favorite spot for active kids to have birthday parties. CISC provides the use of one field or court for the first hour and the use of the individual party room for the 45 minutes that follows the field time. You can decorate the party room anyway you would like to fit the theme of your party. The room comfortably fits 24 kids with extra tables on the side for gifts and food preparation. There is a refrigerator, freezer and an ice maker available as well as scrimmage vests, soccer balls, basketballs and volleyballs. You may bring in any type of food you would like for your party (except for outside pizza which you may purchase from us) - *see below for more details*. You are responsible for any paper products you may need. During the winter months space and time are limited so schedule your party well in advance. Fields will be climate controlled: air conditioned in the summer, heated in the winter. A **\$40 non-refundable deposit** and credit card number are required to reserve a spot along with the registration form. The balance for the party is due on the date of the party. We reserve the right to bill your credit card if full payment is not received at the end of the party. For parties of 25 kids or more, it is recommended that you rent two fields for your party. CISC does not provide any field supervision.

Overnight Rentals

CISC offers overnight rentals to groups interested in playing sports all evening and into the early morning. This gives kids and parents the opportunity to play at their own pace. CISC has rented to church groups, sports recreation councils, individual teams, bands, businesses and families in general. The normal time period for overnight parties ranges from 10 or 11 PM to 7 AM. CISC provides the lighting, heat or air conditioning, scrimmage vests, soccer balls, basketballs and volleyballs. The renter supplies food and kitchen paper products. Chaperones are required on site, and no food or drink are allowed on the fields or courts. A **\$100 non-refundable deposit** and credit card number are required to reserve a spot along with the registration form. The balance for the party is due on the date of the party. *See below for more details on the layout of our facility.*
