We put people in front of your banner advertisement, for as low as \$300 a year! You provide the 4' x 8' banner (regular size) for your company, you chose the available placement, and we provide the spectators! We do offer, when available 5' x 12' banner (large size) spaces above the goals for \$400 per year. You may also use the larger size banners for above the walls (netting area) for the same low cost of \$400 if a goal area is not available.

Discounts are given if multiple banners are placed within the facility.

Regular size banners – 2 areas of rental \$25 off each \$300 rental

3 areas of rental \$50 off each \$300 rental

Large size banners – 3 areas of rental \$950 per year

Ads run for one year from the date they are installed and can be renewed at the end of the fiscal year. An invoice will be mailed at the end of one year asking if you would like to continue your advertising. If you choose to renew, just pay the invoice for another year of worry free advertising. If not, then notify us that you would like banner removed and you can pick up the banner. It is that easy!

If you would like further information or have other questions not addressed above, please call 410-857-5098, we will be happy to assist you.

**Actual Banner pricing will depend on the company that you chose to do your banner work, artwork, size and color of banner; we recommend Woodland Signs, right above CISC; 410-876-7196. Please remember to think about lettering size and colors when choosing your banner so that it is easy to view from spectator areas.*
