

Carroll Indoor Sports Center Reopening Plan

Adult League Play:

- we ask only players attend the games-please leave the kids home
- arrive no more than 20 minutes prior to your game
- practice social distancing outside field prior to & after the game
- after each game, each team is asked to wipe down the railing in team boxes with provided wipes, remove/throw away all water bottles & trash
- if you have a fever, cold or any other ailment (allergies are OK), please stay home

Summer Camp:

- each camper will have their temperature taken when they arrive
- no more than 10 campers per group of activities
- no more than 2 campers in snack bar
- handwashing and sanitizer frequently
- if you child has a cold, fever or any other ailment (allergies are OK), please stay home

Dog Agility/Activities Practice/Shows:

- practice social distancing outside field area
- dog crates must be 6'-8' apart from their neighbor-measuring will be provided for shows
- two people at a time inside snack bar
- if you have a fever, cold or any other ailment (allergies are OK), please stay home

Pickleball:

- practice social distancing outside court/field
- if using house equipment, wipe down each paddle/ball with provided wipes after each use
- one person at a time inside snack bar
- if you have a fever, cold or any other ailment (allergies are OK), please stay home

What CISC has done and will continue to do:

- The facility has been deep-cleaned, disinfected and sanitized
- The facility is cleaned twice a week & surfaces sanitized daily
- Hand sanitizer is available throughout both buildings
- Between each game, staff will wipe down common-touched surfaces, i.e., door handles/knobs, field gate latches, countertops with hospital grade disinfectant
- Will have a scan thermometers on hand
- We've always treated adults as adults and we ask that we all work toward keeping CISC open & safe
- CISC will NOT require masks - It's your choice to wear or not, but please do not chastise anyone who does not
